### **Clark Service Group's CEO Glenn Clark Receives Foodservice Equipment and Supplies 2018 Top Achiever-Service Agent Award**

(Lancaster, PA) – Clark Associates, Inc. is pleased to announce that Glenn Clark, president and CEO of the Clark Service Group (CSG), is the recipient of *Foodservice Equipment & Supplies* magazine's 2018 Top Achiever-Service Agent award.

Under Clark's leadership, the company has continued expanding from its humble beginnings from a family business in 1971, into an operation of over 150 employees serving the Mid-Atlantic. The group is known for providing high-level service in the commercial food industry with locations in Pennsylvania, Maryland and Florida.

CSG's fast organic growth can be attributed to the company's dedication to be as responsive as possible to customers, providing them with excellent service. The group's success comes from a combination of innovation and continuous improvement, with a focus on hiring the right people and training them well.

As a part of that education, Clark Associates will be sending a total of 113 employees from its various companies, including the Clark Service Group, to the National Restaurant Association (NRA) show. Held in Chicago, this show gives employees the chance to interact with vendors, learn about commercial trends and gain hands-on experience. The show features over a hundred events taking place in 4 days, with last year's show attracting over 66,000 attendees.
